Why We Can Trust The Bible

Todd Fisher, Leader

Session 3: SHARE *The Bible Is Accurate*

1. How should we respond to someone who says there are errors in the Bible? What is the best way to approach apparent contradictions within the Scripture?
2. What does it mean to say the Bible is “inerrant?” Why is this important in terms of the Bible’s credibility and authority? If the Bible did have errors in it, how would that diminish its nature and importance?
3. In what ways does biblical prophecy verify the Bible’s accuracy and dependability?
4. If a person has a low of Scripture, how does that impact: His/her morality? View of God? View of truth? View of others?
