

Being a Leader Who Lasts

with Dave Kraft

Session Four: The Action Plan

Instructions to Leader: Use this final session to guide men to develop their action plan. These are steps they must take to apply the truths they discovered in the first three sessions.

1. Review the past 3 sessions by asking the following discussion questions. Allow for men to answer.
 - a. What are you doing to spend quality time with Jesus? How is this able to help you grow in Christian character?
Goal: For men to spend quality time with Jesus and grow in Christian Character. (Colossians 3:1-17; Ephesians 3:7; Galatians 1:1) – Session One
 - b. What vision has God given you during this Bible study? How will you communicate this vision? In what ways do you plan to keep this vision alive?
Goal: Have a God-given vision that burns their soul! (Habakkuk 2:2,3; I Samuel 3:1 Exodus 32:34) – Session Two
 - c. In ways does building a team allow you to share your God-given vision? Is it easier to do this with a team or by yourself?
Goal: Learn how to build teams rather than doing everything ourselves (Exodus 18) -- Session Three
2. Continue discussion with the following questions.
 - a. What three things do you need to focus on now?
 - b. What are your next steps: today, tomorrow & beyond?
3. End in prayer asking them men for ways you can pray and encourage them. Encourage them men to pray and encourage each other as they continue on their journey to sharing God's Word well.
